INDIANA LUMBERMENS MUTUAL INSURANCE COMPANY

TO: All PLM Insureds:

We invite you to rediscover the PLM and ILM websites... together!

Pennsylvania and Indiana Lumbermens Mutual are excited to announce the launch of our newly combined website on Monday, August 4, 2014.

As of Monday morning, anyone visiting either of our current websites will be redirected to [www.plmilm.com](http://www.plmilm.com), the home of our new website.

**Worried about losing the features of the old websites?** The new website has all the same benefits of our current websites, plus many more. Here are some of the new features that you will find when you take a moment to visit our site.

- Responsive theme- View loss control information or learn what to do in the event of a loss in real time. You can view our site on any device (computer, tablet, or phone) without losing any of the functionality.
- Locate Your Business Development and Loss Control Representative maps- Eliminate any extra calls by finding your contact directly. Click on your state and your representative contact information will appear.
- Direct Requests- Enjoy our expanded loss control DVD program library and request materials, or read the most current issue of our Lumber Memo and subscribe to future communications, directly from our site.
- Fillable PDFs- Eliminate the scanning and faxing by typing directly on First Notice of Loss forms and Dividend Election forms and emailing them in for a quick response from our dedicated staff.

We are excited about this next step and we hope that you are, too! Please take a moment to visit our site and let us know what you think by filling out our customer service survey, [here](#).
